## **MOBILE COUNTY MAN INDICTED IN METHAMPHETAMINE MANUFACTURING CONSPIRACY**

MOBILE, AL-- Bryan Lamar Stanley was indicted by the federal grand jury today in a two count indictment for conspiracy to manufacture methamphetamine in violation of Title 21 USC §846, and manufacturing methamphetamine in violation of Title 21 USC §841(a)(1).

The indictment charges an amount of methamphetamine in excess of 50 grams which triggers a 5 year mandatory minimum imprisonment sentence for Stanley with a maximum sentence of 40 years imprisonment, pursuant to Title 21, USC § 841(b)(1)(B).

The United States Attorney for the Southern District of Alabama, Deborah J. Rhodes, stated, "The manufacturing of methamphetamine has a devastating impact on the community. We will continue to work with our state and local partners to aggressively prosecute these cases throughout the Southern District of Alabama."

The case is being jointly investigated by the Mobile County Sheriff's Office, Narcotics Division, and the Alabama Alcoholic Beverage Control Board, Enforcement Division.

An indictment is a determination by a grand jury that there is probable cause to believe that offenses have been committed by a defendant. A defendant, of course, is presumed innocent until and unless he or she pleads guilty or is proven guilty at trial.
